NA - Not Available Note: Information was obtained from California Department of Health Care Access and Information. Net patient revenue is defined as total revenue less deductions for Medicare, Medi-Cal, and other third-party insurance payments and provision for bad debt. Operating margin is defined as net operating revenue divided by net operating income. Only short-term general acute care facilities are included. Hospitals are ranked by net patient revenue for the year ended Dec. 31, 2024. To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. NA - Not Available Note: Information was obtained from California Department of Health Care Access and Information. Net patient revenue is defined as total revenue less deductions for Medicare, Medi-Cal, and other third-party insurance payments and provision for bad debt. Operating margin is defined as net operating revenue divided by net operating income. Only short-term general acute care facilities are included. Hospitals are ranked by net patient revenue for the year ended Dec. 31, 2024. To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur.
